THE SPECIAL EDITION ESCORT BONUS VAN

The Escort Bonus Van is a highly-productive light commercial . . . with a little extra style. It provides all the qualities of the renowned Escort Van range, with assured performance from either the standard 1.3 HCS petrol engine which can operate on unleaded petrol without adjustment, or an economical 1.8 diesel. The smart exterior — in a choice of Diamond White, Radiant Red or metallic Strato Silver — is enhanced by a distinctive body stripe and wheel trims, and the interior comforts include a quality P21 push button MW/LW radio.

STANDARD FEATURES INCLUDE:

- Choice of 1.3 HCS petrol engine with 4-speed gearbox and 1.8 diesel engine with 5-speed gearbox
- 155 TR 13 tyres
- Bodyside tape stripe
- Bonus badging
- Full wheelcovers
- Three body colours available Diamond White, Radiant Red or Metallic Strato Silver, all at no additional charge
- Cab floor rubber mats
- Doors trimmed in vinyl
- Model P21 push button MW/LW radio
- Seats in vinyl trim

THE SPECIAL EDITION ESCORT BONUS VAN

50 Litres (11 Gallons)

RADIATOR FAN THERMOSTATICALLY CONTROLLED

STEERING:

Variable ratio rack and pinion

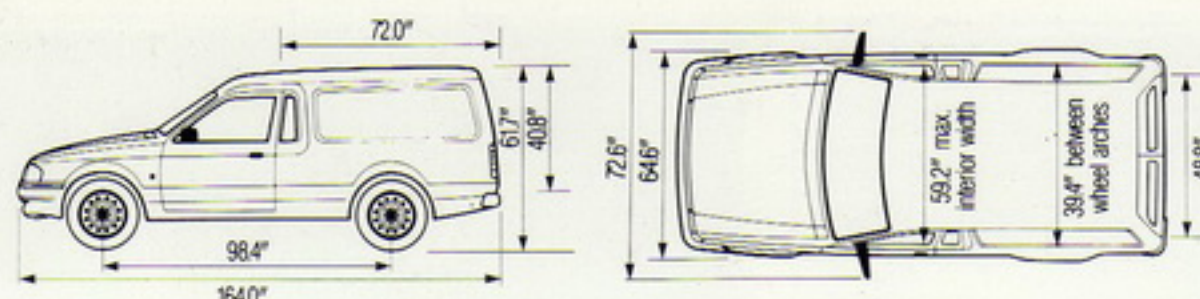

SUSPENSION:

Front independent with MacPherson struts, telescopic dampers and coil springs, rear leaf springs.

† The payload is theoretical only and is based on vehicles with minimum equipment. Payload is calculated by subtracting the kerbweight of the vehicle plus the weight of the driver and passengers, **if any**, from the GVM. Account should then be taken of weight distribution and axle loading. It is the responsibility of the user to operate the vehicle within the axle plated weights. Payloads quoted in this publication are nett payloads, with an allowance of 75kg

* Calculated by the VDA method

** Can operate on 4 star or unleaded petrol, without adjustment.

■ **LOADSPACE — PETROL AND DIESEL MODELS 69.2 cu.ft***

STANDARD EXTERIOR FEATURES

BUMPERS:

Front full length polycarbonate, with integral grille.

FUEL TANK WITH HIGH SECURITY LOCK

LIGHTS:
